PERSONAL PROJECTS

Diet advisory website (06/2023 - 10/2023)
- In an era marked by an ever-increasing awareness of health and nutrition, the "Diet Advisory" project emerges as a comprehensive solution to the complex and varied dietary needs of individuals. This web-based platform endeavors to revolutionize the way people approach their nutritional journeys by offering a highly personalized, interactive, and user- friendly diet planning experience.

EDU-eats (01/2024 - 05/2024)
- This web-based platform empowers canteen staff to update recipes in real-time, eliminating the need for students to physically visit the canteen to check for availability. Through an intuitive user interface, canteen staff can effortlessly manage and display the current list of available food items.
